

## TRAINING SCHEME MATERIAL

Our training scheme is divided into two sections;

- Scheduled training
- Jagged training

**SCHEDULED TRAINING:** This consist of two programs; the bi-annum training program and the 4- month- SIWES program.

The **BI- ANNUM TRAINING PROGRAM** is the official training program organized for professional lectures. The training program would go on for six months, and an examination exercise will be conducted at the end of the six months. A final graduation ceremony is held for presentation of awards and certificates.

All courses are available for the bi- annum training program; their respective pricelist can be seen in the table below;
